LOOKING UP

SIGNING UP

Signing up, we are in! We feel at last a part of Wiley and that Wiley is a part of us. Our hopes and aspirations come true. Our careers are begun.

*To a man who has been synonomous with
Wiley for as long as we, the class of '49, can
remember, symbolizing the teachings, friendliness
and guidance of Wiley*

*To a man who has given us a new respect
and higher regard for teachers as an important
influence in our lives, philosophies and future
happiness*

*To a beloved teacher, friend, Joseph
Lacey, we dedicate this Wileyan.*

ADMINISTRATION

From Wiley's principal an "interest rate" in wise by-words for life can be drawn — a finer interest rate than any bank can offer. Mr. Forney directs the machinery that makes Wiley function as an efficient fountain of knowledge and friendship. It is obvious that his hobby is young people and their welfare. During Mr. Forney's years of service to Wiley, nearly six thousand graduate seniors have received their Wiley diplomas from him.

MR. WILLIAM SCOTT FORNEY

MISS JEANETTE LANDRUM

Miss Landrum, Assistant Principal and head of the social studies department, has A.B. and A.M. degrees from Indiana State Teachers' College. In the past "Rusty" has taught physics, health, chemistry and geometry; has coached football, basketball and track; and has been director of athletics. His hobbies are reading, travel and sports.

MISS WINIFRED L. WARNER is a fine counselor for the junior and senior girls at Wiley. A former senior class sponsor, Miss Warner is an ardent supporter of Wiley and Wiley activities. Her leisure moments are spent in reading, traveling and working all types of puzzles.

The junior class helped with the noon programs and contributed to the funds for the new popcorn machine. The annual Mardi Gras complete with costumes, food and fun was a huge success. One of the highlights of the festival was the crowning of the junior king, George Beck. The JUNIOR PROM in the spring marked the close of the junior program.

SOPHOMORES

THE new sophomore class was divided into homerooms, but through this division it became united in understanding and appreciation of Wiley's traditions and opportunities. Sophomores were thus united also in friendship with each other, with teachers, counselors and other classmen. The pleasure of all of Wiley's good times and good teachings goes to these seniors of '51.

Mr. Irving Heath is our very efficient athletic manager. Although he didn't coach any teams to victory, he did the work that put those teams in the limelight. Arranging for the team's meals, calling for the transportation and buying new uniforms are just a few of the duties that have been performed by Mr. Heath for the past eight years.

The followers of the RED AND WHITE were boosted in morale by a very capable band of cheer leaders.

Coach Ashworth

Next fall, Coach Ashworth will move up to higher fields in the athletic world. He will assume the responsibilities of head football coach at I. S. T. C. While at Wiley Mr. Ashworth has turned out the best in football teams, and we are extending to him best wishes as he takes command of his new duties.

TRACK

COACH Cy Proffitt worked with the speedsters day in and day out this year so that he could have a well balanced team, and Wiley profited from the results. Mr. Proffitt did an excellent job in guiding our STREAKS through a very impressive season.

COACH Cy Proffitt and his RED STREAK thinclads continued to bring honor and trophies of the cinder world home to Wiley. During the entire 1949 campaign the STREAKS were rated as one of the best teams in the state. As in previous years, Wiley possessed the unusual power to enter at least one star in each event, and they were able to smash many records.

GIRLS' SPORTS

Miss Mary V. Jones

WE were shocked and grieved to hear of the death of Miss Mary V. Jones, March 21, 1949. She had been the sparkling and driving force behind our girls' sports during all our years at Wiley. Under her expert guidance we enjoyed the healthy fun of vigorous exercise, but more than that, she gave us something of herself which we shall never lose. For this we are grateful, and we have faith that she will know this.

PLAY BALL!

WILEY girls have participated in many sports this year under the capable leadership of Mrs. Robert Wright, who has supplied for Miss Jones since December. Ping-pong, volley ball, baseball and swimming were the favorites. All of these sports, except swimming, take place on the athletic field adjoining Wiley during physical education classes. The girls' swimming class met during the sixth hour at the Y. M. C. A.

The organization of Y-Teens is an associate organization of the Y. W. C. A. Its purpose is to encourage the growth of girls spiritually, mentally and socially. The Wiley Y-Teens has endeavored to carry out this purpose with its devotional programs, other interesting and vital features and with its social activities. Wiley's annual Sweetheart Dance was sponsored by our Wiley Y-Teens. It was a big success. One of the most notable and finest activities of the Y-Teens during the year was the collecting of money for the Cancer Drive at the Terre Haute Memorial Stadium on April 13, and the designating of this as the Mary V. Jones Cancer Tag Day in honor of Miss Mary V. Jones.

HI-Y

THIS season, the Hi-Y sponsored the election of the third annual Basketball Queen. The Queen must be a senior girl and her attendants, one junior and one sophomore. The purchase of a basketball ticket entitles the holder to three votes, one for each class.

THE purpose of the Hi-Y, sponsored by Mr. Lunstrum, is to create, maintain and extend throughout the school and community high standards of Christian character.

Both "fun" and formal initiations were held in Wiley's Hi-Y club at the first of the year. The Hi-Y club sponsored for Wiley the Basketball Queen election, the homeroom basketball tourney and the basketball throw at the Junior's Mardi Gras. A picnic climaxed the '48-'49 season for the Club.

THE 1949 WILEYAN

WHEW! It's done at last! We hope you like it and have as much fun reading it and reminiscing as the staff and committees have had in preparing it for you.

Money, as always, was the problem, but with excellent cooperation we even licked that. Here is the way we and you did it: the Wileyan assembly was lucrative at the same time that it was (if we do say so ourselves!) enjoyable; we manned (and womaned) the concession stand at the basketball games; the coat hanger campaign contributed a sizeable amount; we sold yarn dolls, pompoms, chrysanthemums, pictures, — 'most everything we could — and, of course, your WILEYANS; various organizations and the magazine campaign helped swell the coffer.

Under the able sponsorship of Mrs. Margaret Jane Adamson, hair was torn (hers too!) fingernails were chewed and fell by the wayside, but we did it! And so you bought the best seat in the house, now look! We, the staff, wish to thank all our workers, patrons and boosters, advertisers — in short — all who have made this '49 Wileyan possible. Hope you have many happy returns of the years'.

WILEY'S SERVICE STAFF

THROUGHOUT the year Wiley's service staff has spent long hours keeping the floors free of debris, the furnaces blasting on cold winter mornings and the rooms pleasantly livable. They are an indispensable part of life at Wiley.

Mrs. Martha Flynn was recently added to the service staff and aids Mr. George Yost in caring for the gym.
